

# SECTION 179 .ORG

## QUALIFIED FINANCING

Let Your Tax Savings Cover Your Equipment Payments

One of the best business tax deductions is also the easiest.

### Section 179 + Equipment Financing Changes Everything

1. You purchase new or used equipment, and finance it through Crest Capital. The below graph assumes \$50k worth of equipment.
2. The Section 179 deduction saves you an average net of \$17,500 at tax time. This is REAL MONEY that stays in YOUR account, not the IRS's.
3. Assuming a monthly payment of \$1,120, that \$17.5k covers your first 15 ½ payments.
4. Not only is the equipment “free” for over a year (thanks Uncle Sam!) you also get to USE the equipment that entire time to make MORE revenue. **Win-Win.**

### The Bottom Line

The simple-to-use Section 179 Deduction is meant to encourage small and medium businesses to buy equipment to help them grow. Using it while financing the equipment is an especially smart move.

**Better still, Crest Capital will give you an additional \$179 bonus. Read on.**

## QUALIFIED FINANCING

### Some Facts About Equipment Financing and Section 179

#### Almost All Business Equipment Qualifies, Including:

- Tangible business equipment.
- Production equipment and machines (including heavy machinery.)
- Business vehicles weighing more than 6k lbs.
- Computers, office machines, office furniture.
- “Off the shelf” software.
- Property attached to your building that isn’t a part of its structure.

visit [www.section179.org](http://www.section179.org) for more details.

#### Used / Refurbished Equipment Qualifies Too!

If the equipment is new to you, it will generally qualify for the Section 179 deduction. That’s great news.

#### Crest Capital Can Finance or Lease It For You.

As you can tell, nearly anything your business needs qualifies for Section 179. And Crest Capital can finance it too!

\$179 PER EVERY \$10,000 FINANCED

CARD HAS NO VALUE UNTIL ACTIVATED BY CREST CAPITAL

## Let’s Get You Financed with a \$179 Bonus!

Crest Capital will give you a \$179 bonus for every \$10k financed. There’s never been a better time to finance new or used equipment.
